

Youth Council Gearing Up for Halloween Event

WE GIVE A HOOT!

The Youth Council will be providing a Safe Halloween for kids ages 11 and under on Halloween Night, Wednesday, October 31 at West Bountiful City Hall from 5:30 p.m. - 7:30 p.m. Walk through a maze of Scarecrows and Pumpkins and other characters to collect candy and goods. We will even have a Hay ride for the little spooks.

The Youth Council will also be accepting entries from October 15-30 for the annual Scarecrow/Pumpkin Contest. The rules/regulations and application forms can be picked up at City Hall beginning October 1 or accessed on the city website at www.westbountifulut.gov. You may also contact Debbie McKean at 298-3179.

The Youth Council will also be collecting turkeys to distribute to needy residents. Donations will be accepted beginning the week before Thanksgiving. Bring your donations to City Hall.

Cheryl Searle Appointed to City Council Vacancy

Welcome to Cheryl Searle who was recently appointed by the Mayor and Council to take the vacant seat of resigning Jay R. Bangerter. Cheryl has been serving as the Chairperson on the Historical Committee and will continue to be a support to that commission as one of her assignments. Cheryl also will be a great asset to our community in the way of planning and developing a City Emergency Preparedness plan. She will serve the remaining term of Councilman Bangerter's.

Best wishes to Jay R and his family as they move to another community. Thanks for helping make our city a better place through your service.

Public Works Report Water Line and Speed Limit Among New Changes

The Main City park at 1600 North and 500 West will be undergoing a master planning process to determine future needs and upgrades to the park. City residents that are interested in being on the park master planning committee may contact Debbie McKean at debbiemckean@comcast.net or at 298-3179.

BACK TO SCHOOL—Please remember to watch for children riding bicycles and walking to school along roadways and in school cross walk zones. Also note the changes that have been made at 400 North and 1100 West. There is now a 4-way stop at the intersection of 400 North and 1100 West. This will help to stop traffic in this area so that the crossing guards can safely walk the children across the street. Also, the speed limit has been increased from 25 mph to 30 mph. After careful study and consideration the City Council felt that this change was necessary.

In addition, a new water line project is moving forward along 1100 West from 400 North to 500 South. The project will continue up 500 South from 1100 West to 950 West. The existing water line is made of cast iron and part of the original water system installed in 1957. The new water line will be upgraded to a 12" C-900 PVC waterline. We appreciate your patience in dealing with this upgrade and apologize for the inconvenience it has caused our citizens.

Please remember to keep your trees trimmed 7 feet above the sidewalks and 14 feet above the curb and gutters so that garbage trucks and service vehicles can pass without hitting the limbs. For your information, anyone can dispose of green materials at the Bountiful City Dump for cost of \$3.00/load. West Bountiful residents may only use the green waste portion of the Bountiful dump.

Last but not least, we ask that you help keep the storm drain system clean by raking up leaves and debris out of the curbs & gutters.

Council Adopts Child-Safe Resolution Emphasizing Wholesome Standard

The Mayor and Council of West Bountiful City recently adopted a resolution establishing and promoting a Child-Safe Community Standard for our city. We would encourage all businesses and residents to become familiar with this standard and help promote it so that we can keep West Bountiful the wholesome community that it is.

The resolution refers to the dangers of inappropriate, explicit and pornographic material and the importance of adopting a "wholesome environment for children and families."

Businesses can participate by covering indecent covers of magazines or any other inappropriate materials. Citizens can make sure businesses know of your appreciation in doing so by telling employees of your appreciation in supporting these standards.

We appreciate your support and attention to this Resolution and are proud to say that the majority of businesses in West Bountiful already comply with these standards.
